Dear Aunt Mary and Uncle Tim,

Thank you for a wonderful day out at Ocean Park. Abby and I both enjoyed ourselves so much. Abby liked the slow cable cars best and I thought the huge Space Wheel was thrilling.

Next, I thought the speedy roller-coaster ride was the most exciting! It was even faster than the Space Wheel! I really enjoyed it but Abby was so frightened that she had a nightmare last night! Nightmares are terrifying.

After that, I enjoyed the beautiful Bird Paradise tour. They were more colourful than the birds I see at home. The birds were really fascinating. However, Abby said that it was boring and dull. I guess she is uninterested in birds.

When we got home, Mum said that we looked tired but overjoyed. Then, she said that both of us must be more exhausted than we thought!

Thank you once again for a great and amazing day.

Lots of love,  
Alice
