Miss Siu  
(To Miss Siu)

Dear Miss Siu,  
Last Sunday, we had the National Day celebration  
for our country. My <sup>①</sup> parents and I went to our  
favourite restaurant and had Japanese food  
for our lunch. It was uncrowded, <sup>②</sup> but the  
waiters and waitresses were very friendly  
and <sup>③</sup> kind. There were so many dishes to  
choose from! I like to eat sushi so I ordered  
crab <sup>④</sup> sushi. My father loves to eat seafood  
best, so he ordered seafood soup and my mother  
loves to eat <sup>⑤</sup> salad very much, so she ordered  
fruit salad. Finish our main course, we all had  
mango pudding for dessert. It was very delicious  
because I like to eat mango. After our lunch,  
we were <sup>⑥</sup> shopping in the supermarket. We were  
very happy and I feel funny last Sunday.

Enjoy you holiday! ☺★ Pearl
